In Memory of Eleanor H. Nipper  
Who Contributed Outstanding Service  
As a Farragut High School Librarian  
1967-1980

Mrs. Nipper inspired us all during her time spent as Farragut High School's librarian. Even in the face of death she showed us that the true importance of life is our immediate blessings as she said, "Sometimes a sadness comes over me when I think about the future, but it is nearly always dispelled when I count the joys of the past and present." *In Memory of Mike Rector  
a Senior at Farragut High School*

Everyone has a duty to carry out in his lifetime. Lifetimes can be short or long. Duties can be great or small. People are like crayons . . . they come in many different colors. Each color has a different effect on others. Some seem more important to us than others, but the fact remains that without that person and their particular color in the inkling of time each of us is given, the world would not be exactly as it should be. Mike Rector was one of those who was given a short lifetime. Yet, in that short time of living, he had an important effect on the world. Friends saw him as shy and understanding, a good listener who was trustworthy with confidences. He was always ready to talk or do anything to help others or make them feel at home. He was a dedicated member of Parkway Baptist Church and supported every single Farragut High football game this year. Mike may have left this world, but in the hearts and minds of his friends part of him will always be here — in his own special color, of course . . .

"Jesus said, 'I am the resurrection and the life. He who believes in Me will live, even though he dies; and whoever lives and believes in Me will never die . . .'" from John 11:25, 26, NIV

*The end has come,  
The years were four;  
A Farragut Admiral  
Was the name we bore.*

*New ones arrive,  
And old ones depart,  
But life goes on,  
With God in our heart.*

*—Marilyn Kennedy, Editor*
